after the title, insert --

BACKGROUND OF THE INVENTION

A2

Field of the Invention--;

in line 5, before "invention" insert --present--;

5 after line 10, insert --

Description of the Related Art--.

A3

On page 2, in line 10, before "WO 94/11801 A1" insert --Published International Patent Application--;

in line 14, before "DE 195 18 367 A1" insert --German Patent Document--

10 ;

in line 19, before "WO 94/27229 A1" insert --Published International Patent Application--;

A4

in line 20, delete "[sic]";

after line 22, insert --

15 **SUMMARY OF THE INVENTION**--; and

in line 24, before "invention" insert --present-- and replace "proposing" with --providing--.

On page 3, in line 1, before "invention" insert --present--.

On page 4, in lines 9 and 10, delete "are defined in claim 6." and insert --

20 include a control panel program, which defines an operator interface on a screen, whereby a plurality of display fields are provided on the operator interface, which display fields respectively contain graphics elements and text, a graphics bitmap stored for each display field, which graphics bitmap contains pixels corresponding to the graphics element to be shown, a plurality of language versions stored in text

A5
cont

files for the text of each display field, one single language selected for the texts of all display fields depending on the input instruction, the graphics bitmap that belongs to every display field loaded into the main memory of the computer, and whereby text files of the selected language are accessed and text pixels and pixels

5 of the graphics bitmap are represented together given the display of the display field.--;

after line 11, insert --

BRIEF DESCRIPTION OF THE DRAWINGS--;

in line 14, delete "Shown are:";

10 in line 16, after "Figure 1" insert --is a screen view of--;

in line 18, after "Figure 2" insert --is a screen view of--;

in line 22, after "Figure 3" insert --is a diagram-- and after "schematically" insert --showing--;

in line 24, after "Figure 4" insert --is a pair of--;

15 after line 25, insert --

DETAILED DESCRIPTION OF THE PREFERRED EMBODIMENTS--; and

in line 29, after "TFT" insert --(thin film transistor)--.

On page 5, in line 8, delete "respectively" and insert --that--;

20 in line 13, before "display" insert --in--;

in line 15, before "display" insert --in--; and

in line 19, change "displays 28, 30, 32," to --displays 28, 30 and 32,--.

On page 6, in lines 4 and 5, delete "comfort is therefore reduced for the operator" and insert --operator may not be comfortable with the display--.
